FANS LOOKING FOR PITCHER'S DUEL BETWEEN GAW AND KROOG SUNDAY

If the weather man treats the Norwich Kacey with the same kindness that he has during the past few months there will be a large crowd on hand to see the Kacey with a new battery battle with the fast Framingham team with Al Kroog in the look. Local fans look for a pitchers' battle for Sunday as Kroog and Gaw have both been pitching air-tight ball during the season. The local team has been in a slump during the past few weeks and it is time that they came through strong.

Eddie McKay, who up to a few Sundays ago had been hitting consistently, broke his war club and since then has been in a batting slump. However Eddie has had a new war club turned out for him which is just to his liking and great things are expected of him on Sunday. Powers who got two hits off Nichols last Sunday and who has batted against Kroog several times this season is also expected to show some signs of life with the club.

Ingham little is really known except that Framingham hit hard enough in the Ware game to win 4 to 2. They have also hit fairly well against other clubs in Massachusetts. They come here with a good record in order to pull through with the victory. Stage-fright has seemed to be the main cause of the local teams setbacks in the least few weeks but tomorrow's battle should see them fully recovered and into the game for fair.

The Kacey team will line up the same as last Sunday but possibly the batting order of the team will be are dand into the game for fair.

Mr. Ward became famous as an oarsman before he reached his majority, In 1868, which marked the beginning of intercollegiate rowing in America on an extensive scale, Harvard entered a six-oared crew in the Boston clitzen's regatta, and invited the Ward brothers to meet them. There were five Wards in the boat and one outsider, George Ward having been detained by an accident.

The Wards won and followed with victories at Lake Quinsigamond and at Worcester, Mass., both at three miles and in 1871 Ellis Ward and three of his brothers won the world's championship for four miles with a turn at Saratoga Lake. In doing so they established a record of 24 minutes, 40 seconds, which still stands. They defeated two English and three American crews. The crew was undefeated up to the time Ward assum.
